The examination for the Sijil Pelajaran Malaysia (SPM) which was formerly conducted by the University of Cambridge Local Examinations Syndicate in collaboration with the Ministry of Education Malaysia is being conducted as from 1978 by the Examinations Syndicate, Malaysia. The Cambridge Local Examinations Syndicate, whilst ceasing to be responsible for the examination in and after 1978, will continue to advise the Examinations Syndicate, Malaysia on standards. The minimum standard for a Pass-with-Credit in a subject of the examination for the SPM continues to be similar to the standards of Credit Grade in the corresponding subject in the former GCE at Ordinary Level, and at Grade C of the present GCSE in the United Kingdom.
